

# KEVINS KOATS

*share the warmth*

Since 2011 the Kevin from Heaven Foundation has partnered with the Krausey's Koat Drive as part of their mission to help others in need. After the first year the Kevin from Heaven Foundation decided they would continue with this program every year because it was so successful.

With the support of our community we hope to collect and distribute several thousand coats to help keep those less fortunate in the tri-state area warm this winter.

Please use our collection boxes through November 11<sup>th</sup> to donate your **new or gently worn coats, scarves, hats, gloves and mittens for men, women and children.**

Thank you for your support!!
