Dear St. Joseph the Protector School Community,

Thank you for your patience during this period of transition once again. I am happy to announce that Mrs. Alicia Farren will serve as interim Principal at least through the summer. I am also happy to announce that Sister William Adele, SSJ, has agreed to serve as a consultant in the coming weeks and months because of her love for our school community and desire to see us succeed.

Sister is committed to her position as Assistant Superintendent of Schools for the Diocese of Wilmington, but will share her time, talent and treasure of experience with us. Sister and I have met several times over the past few months; Sister and Mrs. Farren are also beginning to meet. As was stated, a Search Committee will be established and the Principal Opening position will be posted in the coming weeks.

A meeting will be held on Tuesday evening, June 27 at 7:00 PM in St. Luke Church to share some information and try to answer some of your questions. Members of the StJP Board will also be present and a financial report will be shared.

We will try to respond to as many pre-submitted questions as possible and if necessary look into others. We encourage you to submit questions to Alicia Farren at [afarren@stjpschool.info](mailto:afarren@stjpschool.info) on or before Tuesday, June 20.

Please continue to keep our efforts for Catholic education in your prayers.

St. Joseph, pray for us

Father Joe Brandt
