Achieving Now & Tomorrow

St. Joseph the Protector Home and School Volunteer Opportunities

The Home and School Board organizes more than 16 events throughout the school year. These events raise school spirit, increase participation, and are fun for our entire school. It would not be without the help of all of the volunteers that these events have been so successful in the past. Let your child follow your lead and demonstrate to them your commitment to our school. **Many hands make light work!**

Please put a circle around any of the volunteer opportunities where you can lend a hand.

Name _____ Phone _____ Email _____

Please circle any of the volunteer opportunities where you can lend a hand:
