

LEGACY:

"I alone cannot change the world, but I can cast a stone across the water to create many ripples"

Mother Teresa

St. Joseph the Protector School values and cherishes its Alumni and Legacy Alumni. We frequently see children and grandchildren of graduates from our two legacy schools enter our school to begin their educational journey.

How can our alumni get involved?

- We need alumni to **volunteer** to serve as class contacts for their particular graduating class. Would you be willing to serve on an Alumni Advisory Board to help promote a network of alumni that are involved and committed to our school's future?
- Join our **Friends of StJP Facebook** page to stay connected.
- Add our **school webpage to your list of favorites** to keep up with what is happening in our school today!
- Stay connected by **sending us your current contact information** to receive the latest issue of our newsletter and other important announcements, news and updates!
- **Let us hear from you** anytime to tell us what is happening with you—we profile our outstanding alumni in our newsletters. You are a role model for our current students and we want to brag about you a little!
- **Attend a class reunion**—our Alumni Office can arrange for your class reunion group to come for a tour to see how the school has advanced and changed since your graduation date!
- Please **stay in touch** and give back to our School in any way you can.
